

## Swansea Women's Aid Impact Report 2015–2016

### Introduction

This year marked a significant step forward in our commitment to support women and children affected by domestic abuse. We expanded our frontline services and deepened our community outreach across Swansea.

### Key Highlights

-  **1,200+ women and children** received direct support from our services.
-  **92 families** were housed in safe accommodation.
-  **24/7 helpline** received over **4,300 calls**—a 15% increase from the previous year.
-  Introduced **wellbeing workshops** focusing on trauma recovery and resilience.

### Outreach & Education

- Trained over **400 professionals** in spotting signs of domestic abuse.
- Delivered talks in **12 local schools**, reaching 1,500 students.

### Survivor Quote

*"Swansea Women's Aid gave me more than just safety—they gave me my life back."*

### Looking Ahead

We aim to increase refuge capacity and roll out a new tech safety initiative in 2016–17.
